FOR THE WINTER:

One of the best ways to give your house a warmer feel in wintertime is to light a nice candle. Yankee Candles are now out with a new collection of candles and candle accessories for Fall–Winter 2017/2018. They are made of 100% natural cotton, and come in many lovely scents based on natural and fresh materials — fruity, clean, food and herb (עשבי תיבול) scents and others. There are all kinds of colors and sizes to choose from, too. (NIS9.00–125). www.ykc.co.il.

The low-cost chain Zol Stock will also keep you warm this season. They are selling a TV blanket which is extra fluffy and warm, made out of fleece on one side and wool on the other. It is so soft and comforting, and costs only NIS25. You can also get scarves, socks, hats, mittens, and much more in the chain's stores. www.zolstock.co.il.

The wind and cold of the season sometimes cause our eyes to dry up. For those who suffer from dryness of the eyes, Alcon's Systane Ultra is just the thing. It is designed for those suffering from imbalance of the protective layer of the eyes, replacing the layer and protecting the eyes. It gives them moisture and much relief of symptoms for a long time. (NIS85).

Winter is also soup time, and for that reason Osem is bringing us more of its line of soups, מרכיבים מרכיבים. Now you can get lentil (עדשים), piquant legumes (קטניות) and root vegetables (ירקות שורש) soup powders to which you only have to add water and some warming up. You can also use them as spices, and add them for extra-flavors to a soup that you make. There are also some low-sodium soups to choose from if you prefer.

FOR YOUR BEAUTY NEEDS:

Slique Cool Skin is a new facial hair removal kit. It comes with a special device that works like the old string method we all like, and removes hair easily, quickly and accurately. It also offers the Cool Skin gel, which calms the skin after hair removal and keeps it smooth and fresh, without any redness. Cool, indeed!

L'ORÉAL PARIS's Volume Million Lashes Fatale is a mascara that offers a deep black pigment, high volume and dramatic lifting of the lashes. The three intense effects are helped by the special Millionizer brush, which defines and separates the lashes. We tried it and found that it stays put for a long time without running. (NIS75 per 9 ml).

FOR YOUR KIDS:

Another new product from Dr. Fisher's Sarekal is the new Sarekal nourishing mask for children's hair. It is meant to help maintain your child's hair hygiene, while making it much easier to brush. The mask makes hair softer and more elastic, giving it a great shine. It has rosemary in it, which is known as a lice-repellant, as well as Argan oil, pro-vitamin B5, vitamin E, and other goodies that nourish the hair and keep it healthy. (NIS24.90 per 200ml).

The Nimrod&More chain is now selling a 2017/18 Fall–Winter collection of babies' and children's shoes. The new models come with trendy patches, textures, prints and materials, as well as pompoms, side-zippers, furs, flowers and much more.
